

REJECT JOBS PLAN FOR IRISH TROOPS

DUBLIN, Feb. 26.—A serious crisis is understood to have arisen as a result of the war cabinet's rejection of Lord French's request that the Irish recruiting council undertake the re-employment of 100,000 Irish soldiers, in connection with demobilization in this country. Chief Secretary MacPherson has informed the council that its services are no longer required.

"The soldiers may be so neglected that they will join the Sinn Féiners," said Capt. Gwynn, a member of the council.

In addition to Gwynn, the council included Sir Henry McLaughlin, Sir Maurice Dockrell and Sergeant Sullivan.

PARIS, Feb. 26.—Insanity will be the defense plea of Emile Cottin, who shot Premier Clemenceau, it became known today.

The father of Cottin has demanded that the authorities permit a mental examination of his son.

Young Cottin became angered when he learned of the move his father was making in his behalf and swore that he would not consent to it and that he "was responsible for his acts."

Cottin remained calm during the grueling examination before court-martial yesterday afternoon.

MRS. WILSON'S HAT SETS BOSTON STYLE

BOSTON, Feb. 26.—Mrs. Wilson returned from Paris wearing a fascinating turban hat but what has disturbed the local millinery experts was its peculiar shade. The elite are demanding that their bonnet-makers produce "that color Mrs. Wilson had on."

Albert A. Allendorff, president of the New England Retail Milliners' Association, declared the President's wife "certainly has started a fad," both in the color and design of the turban.

He tried to describe the color. "No, it isn't maroon and it isn't rose," he said. "It's somewhere in between there." That is the best description to date.

SENATE TO PROBE PALMER'S OFFICE

The office and activities of A. Mitchell Palmer, alien property custodian, will shortly be subjected to an exhaustive probe. The inquiry was authorized yesterday by the Senate on resolution by Senator Calder of New York.

Not only will Palmer's official record be gone into, but his attitude toward various German interests before and during the war will be looked into, it is stated.

"I am informed that a great deal of German-owned property is being sold in this country," Senator Calder said last night. "In which Americans are minority stockholders, and that the interests of the Americans are injured greatly. I am told that much of the property owned by Germans has been sold at much less than value, some of it at a loss of as much as 50 per cent."

Hundreds of men have been thrown out of employment, due to the activities of Palmer's bureau, it is said, and thousands of dollars in invested capital are lying idle because Palmer's office is several months behind in its work.

A mass meeting to be held Sunday night at the Central High School auditorium at which Secretary Baker will probably also speak will be addressed by Mr. Stephen S. Wise, who has just returned from Paris on "The Aims of Zionism."

The attitude of the allied statesmen at the peace conference and President Wilson toward the establishment of a national Jewish home in Palestine will be revealed by Rabbi Wise, who was the chairman of the Zionist delegation to the peace conference at Versailles. He will also discuss the proposed League of Nations. Judge Julian W. Mack, president of the American Zionist organization, will preside.
